MARCH 2025 PRAYER LETTER

March 8th

International Women's Day, March 8th, is a global holiday that is celebrated here in Moldova and is equivalent to our Mother's Day in North America. This year each of our church ladies were invited to a special tea and were encouraged to also invite two guests to come along with them. All together we had 29 ladies who attended this special day. Our key verse this year was Psalm 34:8, "O taste and see that the Lord is good. Blessed is the man that trusteth in Him." Every song, game, poem, food, and devotional was an invitation to each of them to put their trust and faith in Christ as their personal Savior and to see how He can change their lives. **Please pray for the ladies from the church to continue to grow in their faith, but also for each of the guests to truly see their need for a Savior.**

Training Preachers

After three years of modules, monthly meetings and lots of homework, Daniel graduated in March from a Biblical Preaching course. He has learned and grown as a preacher during these past three years and has put much of what he has learned into practice as he prepares and preaches every week. Besides pastoring, Daniel's passion is to see other Moldovan preachers become more biblical in their preaching so that lives in Moldova can be reached with the Gospel and changed for God's Glory. **Please pray for Daniel as over the next three years, he will take what he has learned and begin mentoring others here in Moldova.**
