Missionary Danny Araya, Costa Rica letter

December 2025

Beloved brothers and sisters, receive from Costa Rica a greeting filled with the love of Christ.

First of all, I want to thank everyone who has been interceding in prayer and supplication to the Lord for my son Pablo. Since we began this whole process for his bone marrow transplant, it has been a path full of obstacles and difficulties, but the Lord has been with us every step of the way, showing His love and mercy from the beginning until this moment. Praise be to His name.

We are now just waiting for the call from the doctor in charge of the transplant to admit Pablo and Sofia. They both need to be admitted to the hospital on the same day; Pablo to receive chemotherapy and Sofia to have her bone marrow extracted to be donated to her brother. Both will be in complete isolation during their stay. Please pray for them both, that God will give them everything they need while they are there, and pray for our family, that God will strengthen us and help us through this time, trusting and waiting on the Lord.

Despite all this, we thank the Lord because His work here in our church continues, new believers continue to grow, the gospel continues to be preached, souls continue to be saved by the grace of our God, and the church continues to work. Blessed be the name of the Lord who allows us to work in His work and see souls surrendered at His feet and with a desire to grow in the grace and knowledge of our Lord Jesus Christ.

I want to thank each of the brothers and churches who, during this time of so many expenses for our family, have sent their special offerings of love so that we can prepare everything necessary in our home for when Pablo returns from the hospital. Each offering has been a great help and comfort. God has been good to us, and we pray that He will greatly bless each of you who, with your offering, have made this possible. Please continue to pray for us that God will

provide what is still needed and that during the months of his recovery, we will have everything my son needs for a successful recovery.

I want to wish each of you a very Merry Christmas and a New Year filled with blessings from the Lord. May God grant each of your heart's desires.

We love you very much and pray for each one of you. Keep going doing God's work until Christ returns for his beloved church. God bless you.

Romans 11:36
